Introduction

To truly know yourself is the most important skill you can ever possess. Knowing yourself is the beginning of all wisdom and success. You are neither useless nor empty in life, you can be great if you desire greatness. Sit down, think and discover yourself.

There is plenty of money in your house. Look around your house with your spiritual eyes and you will see that you are a multi-millionaire.

Through this mini book, the spirit of God will open your eyes to see the millions of dollars in your house.

Chapter One
The Widow's Olive Oil

11 Kings 4:1-7

1. The wife of a man from the company of the prophets cried out to Elisha, "Your servant my husband is dead, and you know that he revered the Lord. But now his creditor is coming to take my two boys as his slaves."
2. Elisha replied to her, "How can I help you? Tell me, what do you have in your house?" "Your servant has nothing there at all," she said, "except a small jar of olive oil."
3. Elisha said, "Go around and ask all your neighbors for empty jars. Don't ask for just a few."
4. Then go inside and shut the door behind you and your sons. Pour oil into all the jars, and as each is filled, put it to one side."
5. She left him and shut the door behind her and her sons. They brought the jars to her and she kept pouring.

6. When all the jars were full, she said to her son, "Bring me another one." But he replied, "There is not a jar left." Then the oil stopped flowing.
7. She went and told the man of God, and he said, "Go, sell the oil and pay your debts. You and your sons can live on what is left."

The late husband of the widow was a Prophet and a man that revered (Fear) the Lord, but unfortunately he was swimming in the pool of lack and debt.

What happened to his anointing? This is to tell you that anointing alone will not put food on your table if you don't know what to do.

Vision and prophecy alone will not put food on your table if you don't know what to do. Prayer alone will not put food on your table if you don't know what to do with the anointing.

A great man of God once said, "anointing without money leads to annoyance."

I also believe that "anointing without money will lead to untimely death. "Anointing without money will lead to debt."

What to learn from these scriptures:

1. The caging power of debt. "But now his creditor is coming to take my two boys as his slaves." **11 Kings 4:1b**

2. The liberating power of the oil in your house. "Elisha replied to her, "How can I help you? Tell me, what do you have in your house?" "Your servant has nothing there at all," she said, "except a small jar of olive oil."

Chapter Two

The Caging Power of Debt

The wicked mission of the devil is to put you in permanent debt. Debt will make a man function abnormally. A debt will cast the spirit of a man down. Debt is a cage of destruction.

A debt will drive a man out of his comfort zone. Because of debt, the children of the man of God were about to go into slavery. He used his two sons to stand as collateral to the creditor. What actually killed this man of God? The spirit of debt killed him untimely.

I am praying for somebody reading this book; if you are in a serious debt now, the power of God shall set you free, in the mighty name of Jesus.

I command the cage of debt that wants to cut short your life to break by fire, in the mighty name of Jesus.

Verse 1- "The wife of a man from the company of the prophets cried out to Elisha, "Your servant my husband is dead, and you know that he revered the Lord. But now his cred-

itor is coming to take my two boys as his slaves."

Everybody in the neighborhood knows that this man of God was in debt. This was a man of God that cannot enjoy the blessings of God even with his anointing. God has no respect for your anointing.

Debt has a paralyzing power. It has a killing power. The Bible does not encourage debt to go into debt.

Let no debt remain outstanding, except the continuing debt to love one another, for whoever loves others has fulfilled the law. **Romans 13:8 NIV**

Owe no man anything, but to love one another: for he that loveth another hath fulfilled the law. **Romans 13:8 KJV**

Why are we advised not to owe?

Proverbs 22:7 NIV

The rich rule over the poor and the borrower is a slave to the lender.

Who is a slave? A slave is a person who is the property of another person and whose labor and also whose life often is subject to the owner's volition.

The truth of the matter is that when you go into debt, you become a slave to the lender. A slave does not command respect and honor.

Debts will take five important things in the life of a man:

1. It will take away your sleep.
2. It will take away your rest of mind
3. It will take away your courage.
4. It will take away your happiness.
5. Debt makes you lose respect, integrity, and honor.

Debt is a wicked demonic spirit that has put a lot of people in perpetual bondage insomnia, restlessness, and fear. It has killed some people prematurely.

Some individuals are in small debt while some are in big debt. Whether, small or big debt, debt is a debt. Debt is a spirit and a killer.

Why Do People Go Into Debt?

1. **Because of ignorance:** If you know the damage debt will do to you, you will not go near it. The Bible says,

My people are destroyed for lack of knowledge; because you have rejected knowledge.....Hosea 4:6

2. **Poor money management:** You must know how to spend money. Everything about life is planning. Not all money that comes to your hand must be spent, some must go for investment. You must be a good investor for the future.

3. **Evil Comparison:** Don't compare yourself. Why should you borrow money to wed? You bought the shoe on credit. You

bought the wedding gown on credit. After the wedding the photographer is running after you, the caterer is running after you both spiritually and physically. You don't need thousands of dollars to organize your wedding. You do not have to cook for anybody, it is not written in the Bible that you must cook and feed thousands of people.

4. Unforeseen Circumstances: Disaster, misfortunes, tragedy etc. A man lost all that he has to fire accident. His house and office got burnt the same day.

Every disaster, fashion against you and your family, this season shall backfire, in Jesus name.

5. Health Challenges: Someone spent all the money he has on cancer and yet he died of the sickness.

I command that sickness stealing your money from you to dry up, in Jesus name.

6. Lack of financial discipline: Spending on unnecessary things. I know a lady who has over 60 pairs of shoes and she continues buying more, some of the shoes she has not worn them for two years. I challenge her one day and she said, "it is my hobby," to me, it is not a hobby but lack of discipline.

7. Poverty: If you are poor you will borrow.

I command the spirit of poverty that is attacking you to die from the root, in the name of Jesus.

Ecclesiastes 10:19- "A feast is made for laughter, wine makes life merry, and money is the answer for everything."

If you have money in your hand, the way you will talk will change. When a rich man talks or walks you will know. A rich man walks majestically and talks confidently like a king. Some people go for deliverance week in, week out. If you check why they are going for deliverance, it is because of money. So, money is very good.

I pray for somebody reading this book, your hands shall locate plenty money, in the name of Jesus.

We Christians are supposed to be the richest in the world but unfortunately, it is not so. Poverty and hardship are ravaging the lives of the believers. Believers are now swimming in the pool of financial lack.

The money you need to live a good life, receive it now, in Jesus name.

8. Curse of Debt: Some people money comes to their hands but they don't know how the money goes out of their hands. If your case is like that you need to break the curse of debt in your life.

I know a brother who was in this kind of situation, he has a well-paid job but he doesn't

know how he spends the money. He is a tithe payer, yet he was in a serious debt.

One day, he came for counseling and prayer, and I asked him about his mother, he told me he has not seen his mother for years. I asked him again, do you send money to your mother? He replied no, he told me that his mother is a witch, why should I be giving a witch my money, he said.

Then, I told him, the Lord, said there is a curse of debt, placed upon your life, by your mother that must be broken. I told him to go back to her mother and apologize.

The Bible says,

"Honor your father and mother"--which is the first commandment with a promise.

Ephesians 6:2

Even if your parents are Muslims, you must honor them. It is a commandment from God.

The children of God are supposed to be in full control of wealth but unfortunately, the enemy has reduced them to begging.

Financial debt is a big sickness to man. It is true that debts crumble a person's destiny and shatter his life to pieces. Praying against debt is one way to stay off from financial embarrassment.

I command every curse of debt that is fighting your destiny to break by fire, in Jesus name.

Pray these Prayers

Confess and Meditate on These Scriptures:

Chapter Three

The Liberating Power of the Oil in Your House

"Elisha replied to her, "How can I help you? Tell me, what do you have in your house?" "Your servant has nothing there at all," she said, "except a small jar of olive oil."

11 Kings 4:2

Questions give revelations. The secret of life is in question. The question reveals one's character.

Elisha asked the woman, what did you have in the house? The problem started in the house, so, the solution must be found in the house. The woman said, there is nothing in the house except a small jar of oil. In other words, she said, the oil is too small, it can't handle the financial problem I am having. To the woman, the oil is nothing and useless. But to God, the oil is the solution to her problem.

There is oil in your house that can make you a financial giant.

The oil in your house is the key to your financial freedom and miracle.

The oil in your is the focus of heaven for your financial freedom.

The woman said, **"Your servant has nothing there at all," she said, "except a small jar of olive oil."**

There is a jar of oil in her house but she didn't consider it. To the woman the house is empty. The oil in the house is waiting to be exploited but she did not consider it. The major problem the woman has was that her eyes were closed.

I pray for somebody reading this book, God will open your eyes to see the oil of abundance in your house, in the name of Jesus.

Brethren, there is something in your house that can liberate you from poverty and debt. You have the oil of riches and wealth in your house. Your house is not empty, sit down and look very well you will see it.

The oil represents your life, what God gives you.

The oil could be a gift, skill, talent, idea, etc.

The Bible says, A man's gift maketh room for him and bringeth him before great men.

Proverbs 18:16

For examples- **The rod in the hand of Moses-**
"Then the Lord said to him (Moses), "What is

that in your hand?" "A staff," he replied. **Exodus 4:2**

The stones in David's hands- Then he took his staff in his hand, chose five smooth stones from the stream, put them in the pouch of his shepherd's bag and, with his sling in his hand, approached the Philistine. **1 Samuel 17:40**

The five loaves of bread and two fishes in the hands of the small boy- "There's a young boy here with five barley loaves and two fish. But what good is that with this huge crowd?" **John 6:9**

The disciples of Jesus Christ didn't consider the five loaves of bread and two fishes. God uses the simple things we have in our house to touch our lives and the lives of others. There are things we have in our house that may seem insignificant, but which have the potential to become life-changing.

The oil in your house may be your voice, hands, legs, the ability to interpret dreams, etc.

For those of us who watch soccer, there is a player called Neymar Junior a Brazilian that is earning 600,000 Euro per week. The oil in his life is attached is attached to his legs.

God didn't create you empty there is something in your house that will make you great in life.

You need the touch of God, if Jesus touches your eyes, you will begin to see where your opportunities and money are.

May your eyes open to locate that oil in your house, in Jesus name.

Pray these prayers

Confess and Meditates on These Scriptures:

Isaiah 6:8 "Then I heard the voice of the Lord, saying, "Whom shall I send, and who will go for Us?" Then I said, "Here am I. Send me!"

Hebrew 3:7 "Therefore, just as the Holy Spirit says, "TODAY IF YOU HEAR HIS VOICE."

Jeremiah 29:11 "For I know the thoughts that I think toward you, saith the Lord, thoughts of peace, and not of evil, to give you an expected end."

Chapter Four

The Money in your House

Elisha said, "Go around and ask all your neighbors for empty jars. Don't ask for just a few.

Then go inside and shut the door behind you and your sons. Pour oil into all the jars, and as each is filled, put it to one side."

She left him and shut the door behind her and her sons. They brought the jars to her and she kept pouring.

When all the jars were full, she said to her son, "Bring me another one." But he replied, "There is not a jar left." Then the oil stopped flowing.

She went and told the man of God, and he said, "Go, sell the oil and pay your debts. You and your sons can live on what is left." **11**

Kings 4:3-7

The oil in your house is what will transform to the money in your house.

There is plenty of money in your house. Your house is not empty, i.e. your life is not empty. Look around your house with your spiritual eyes and you will see that you are a multi-millionaire.

Sit down, think and discover yourself, talent and skill. To truly know yourself is the most

important skill you can ever possess. Knowing yourself is the beginning of all wisdom.

You are destined to be on top, you are not empty. Emptiness does not associate with redemption. You are not useless in life but a unique and useful personality. There is a gift of greatness in you.

If you think celebrities are born with fame and money, think again. Many of today's celebs we know and love had to endure years and years of poverty and hardship before becoming the world's sweethearts.

Their stories inspire us and make us believe that dreams can indeed come true with a little perseverance and hard work. Most of the celebrities you are hearing their names today look inward and recognized their God-given potentials and talents.

Hilary Swank, a popular actress in America, before becoming the star of the film, *Million Dollar Baby*, this 2-time Oscar-winning actress had to endure the hardships of poverty. Swank's father left her mom very early on with three kids to take care of. When her mother got laid off, they decided to take a leap of faith and move to California.

There, they were forced to live in a car and work many odd jobs for survival till they could afford an apartment. Today, Swank has a net worth of \$40 million.

In a 2011 interview with Daily Mail, Swank said, "Growing up in a lower-income family, you don't have the resources to make ends

meet and you have to find creative ways to get by." She added, "That infuses your character with a lot of drive and determination." Today, Swank is really an inspiration.

What about Sarah Jessica Parker,

another popular actress in America:

Long before she gained stardom on the TV series, *Sex and the City*, Sarah Jessica Parker, and her family were living on welfare. Parker speaks openly about living life on welfare and the daily humiliation attached to it. Sarah told *The Times*, "I remember being poor. There was no great way to hide it. We didn't have electricity sometimes.

We didn't have Christmases sometimes, or we didn't have birthdays sometimes, or the bill collectors came or the phone company would call and say, 'We're shutting your phones off.'" Yet, Parker managed to escape her past and now has an astounding net worth of \$90 million.

These people discovered themselves and they found the oil in their houses and today, they are great and successful in life.

You are neither useless nor empty in life; you can be great if you desire greatness. It is your turn to be great!

I am praying for somebody reading this book, you will be useful to your generation and attain greatness in life, in Jesus name.

The major tragedy is for the oil in your house to be covenanted or paralyzed by the wicked powers of darkness.

Many people oil of greatness have been paralyzed by the coven powers. This is a big tragedy. If a person oil of greatness is paralyzed by the coven powers of darkness, the person will be a crawler in the school of life.

A story was told about a boy who normally sees himself flying by plane and he told his parents and siblings, "I want to be a pilot when I grow up" he later traveled abroad for his studies.

One particular afternoon he was having his siesta and he dreamt and saw one of his father's wives, (the father married four wives) holding a plastic plate that was full of ground pepper and pour the pepper on his face and told him, let see how you will become the pilot. The young man woke up from the sleep and became blind.

This young man became blind. How will this young man become a pilot? His vision and dream were shattered by the wicked power of darkness of his father's house.

Many dreams and visions have been destroyed and killed by the powers of the covens.

Every coven power that is attacking the oil in your house shall die, in Jesus name.

The people in the dark world can easily see the oil in your house. They can easily see that you are a great man in the future. They can see the plenty of money in your house. That

is why you must be watchful and prayerful because you are in the midst of the enemies.

Three Major Things to Do

1. Recognize that you are not empty: There is something inside you that needs to be expressed. The money will only come to you on the basis of problems you solve for people. The auto-mechanic solves the problem of cars and gets money. The hair-dresser solves the problem of hair and gets paid.

2. Pray for open eyes: Your spiritual eyes must be opened to know what God has planted in your house. God has planted greatness, wealth and riches in your house. It is the oil in your house that will promote your destiny. There is plenty of money in your house and you cannot avoid being poor in life again.

3. You must be violently and angry to pray and destroy the work of darkness in your life.

And from the days of John the Baptist until now the kingdom of heaven suffereth violence, and the violent take it by force.
Matthew 11:12

Pray these prayers:

Confession: Psalm 24

The earth is the Lord's, and the fullness thereof; the world, and they that dwell therein.

For he hath founded it upon the seas and established it upon the floods.

Who shall ascend into the hill of the Lord? or who shall stand in his holy place?

He that hath clean hands, and a pure heart; who hath not lifted up his soul unto vanity, nor sworn deceitfully.

He shall receive the blessing from the Lord, and righteousness from the God of his salvation.

This is the generation of them that seek him, that seek thy face, O Jacob. Selah.

Lift up your heads, O ye gates; and be ye lift up ye everlasting doors; and the King of glory shall come in.

Who is this King of glory? The Lord strong and mighty, the Lord mighty in battle.

Lift up your heads, O ye gates; even lift them up, ye everlasting doors; and the King of glory shall come in.

Who is this King of glory? The Lord of hosts, he is the King of glory. Selah.

The earth is the Lord's, and the fullness thereof; the world, and they that dwell therein.

For he hath founded it upon the seas and established it upon the floods.

Who shall ascend into the hill of the Lord? or who shall stand in his holy place?

He that hath clean hands, and a pure heart; who hath not lifted up his soul unto vanity, nor sworn deceitfully.

He shall receive the blessing from the Lord, and righteousness from the God of his salvation.

This is the generation of them that seek him, that seek thy face, O Jacob. Selah.

Lift up your heads, O ye gates; and be ye lift up ye everlasting doors; and the King of glory shall come in.

Who is this King of glory? The Lord strong and mighty, the Lord mighty in battle.

Lift up your heads, O ye gates; even lift them up, ye everlasting doors; and the King of glory shall come in.

Who is this King of glory? The Lord of hosts, he is the King of glory. Selah.
